## Online Tips

### **HOSTING PLATFORM**

- Use the Zoom app to host the call.
- Use Breakout Rooms to help organise small groups.
- Upgrade your account to remove the time limit.
- Set up Safeguards.
- Prepare well - try hosting practice calls so you're ready!

### **SMALL GROUPS**

- Organise smaller online small groups than you would in person.
- Encourage strong team leaders: hosts & helpers, tech, & MC.
- Have a plan for chat, backgrounds, filters, & emojis.
- Expect and prepare for vulnerability.

### **HOSPITALITY & FUN**

- Fun is key!
- Be creative in how you host the call - you could create your own games or host theme nights.
- Use existing resources and games online (check safety).

### **PRAYER MINISTRY**

- Make space for the Holy Spirit - include it in the schedule.
- Begin with fun & then watch the first Spirit episode with small group discussions.
- After a short break, watch the second Spirit episode followed by a song of worship and then prayer as a larger group & a small group.
